

TORONTO, ONTARIO (June 23, 2008) – Petrolympic Ltd. (the "Company") is pleased to announce that it has closed its previously announced non-brokered private placement (the "Private Placement") of 2,500,000 units of the Corporation (the "Units") at a price of \$1.00 per Unit for aggregate gross proceeds of \$2,500,000. Each Unit consists of one common share of the Corporation (a "Unit Share") and one common share purchase warrant (a "Warrant"). Each Warrant entitles the holder to purchase one common share ("a "Warrant Share") at a price of \$1.40 per Warrant Share for a period of 18 months.

The securities sold under the Private Placement are subject to restrictions on resale for a period of 4 months from the date of closing.

Proceeds of the Private Placement will be used to complete the acquisition (originally announced by press release dated May 15, 2008) from Ressource & Énergie Squatex inc. of a 30% legal and beneficial interest in 36 exploration permits totaling 672,438 hectares in the St. Lawrence Lowlands, Bas St-Laurent and Gaspé Peninsula in Québec (the "**Transaction**") and for general corporate purposes.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available. All dollars in this release are in Canadian funds.

Petrolympic Ltd.

Prior to completion of the Transaction, Petrolympic holds more than 113,906 hectares (281,468 acres) of oil and gas exploration permits in the Appalachian Basin of Quebec that include holdings in the Gaspé Peninsula and in the southern part of the St. Lawrence Lowlands. The Gaspé block of exploration permits totals 40,885 hectares located between Rimouski and Matane in the Province of Quebec immediately southwest of Lake Matapedia. The St. Lawrence Lowlands block of exploration permits totals 73,021 hectares and is located on the south shore of the St. Lawrence River directly south of Valleyfield at less than 30 kilometres southwest of Montreal in the Province of Quebec.

FORWARD-LOOKING STATEMENTS

This press release includes certain "forward-looking information" within the meaning of the *Securities Act* (Ontario), including, but not limited to, statements as to timing and extent of exploration programs and the availability of exploration results. As such, forward-looking information addresses future events and conditions and so involves inherent risks and uncertainties, as disclosed under the heading "Risk Factors" and elsewhere in Petrolympic documents filed from time to time with the Ontario Securities Commission and other regulatory authorities. Actual results could differ significantly from those currently projected as a result of, among those factors, adverse weather, regulatory changes, delays in receiving permits, accidents and delays in completing exploration activities not all of which are in the control of

Petrolympic. The forward-looking information contained herein is Petrolympic's reasonable estimate today of future events and conditions, but no assurance can be given that such events or conditions will occur.
